

Parents,

The **Parent P-EBT Review Form** is available March 13 – April 15, 2023, if you need assistance with P-EBT for the school year 2021-2022.

For the 2021-2022 school year, schoolchildren must meet three important eligibility requirements:

- Children must have been enrolled in a school district that participates in a federal meal program where meals are served at a school, known as the National School Lunch and Breakfast Program.
- The student's school is closed or operating at reduced hours or reduced attendance due to COVID for at least five consecutive days in the 2021-2022 school year.
- Children must qualify for free or reduced-price meals based on income and have turned in the free or reduced-priced meals application to your children's school for 2021-2022, OR be enrolled in a school that participated in the Community Eligible Provision, Provision 2 or Provision 3 federal program in 2021-2022.

If you believe your child meets the above eligibility criteria and you **did not receive your 2021-2022 school year card by March 8, 2023**, or your **2022 Summer P-EBT benefits by March 8, 2023**, please fill out the review form on the OSDE website (sde.ok.gov/pebt) by April 15, 2023. Please submit a separate form for each student. **Any new benefits for the 2021-2022 school year or Summer 2022 stemming from corrections will be disbursed by DHS in Summer 2023.**

If you have lost your child's P-EBT card, you may request a new card at (888) 328-6551
